

Ransom Township Residents Stormwater Program

**If I change the oil in my car myself,
What do I do with the used oil?**

- Remove oil without spilling any
- Put it in a plastic container with a tight lid
- Do not mix it with anything else
- Recycle at a service station or other location that collects it for recycling

Find a list of local service stations that recycle used motor oil on the website www.Earth911.com or www.cleanup.org or call 1-800-CLEANUP
